

REQUORDIT Enhances Tech Portfolio with TSC Acquisition: Elevates CloudOCR, CloudPAYit & OnBase

REQUORDIT acquires TSC to bolster its enterprise content and process automation solutions, marking a strategic move announced on February 20, 2024.

FORT LAUDERDALE, FLORIDA, UNITED STATES, February 23, 2024 /EINPresswire.com/ -- [REQUORDIT](#), a leading provider of enterprise content management and business process automation solutions, is thrilled to announce a strategic Acquisition of TSC, with proficiencies in Enterprise Content Management, Capture and Content Services. This exciting collaboration aims to bring innovative solutions to the market and enhance customer experience.

TSC's people and technology provide a strategic advantage for [REQUORDIT](#) to continue accelerating our growth with CloudOCR, OnBase and CloudPAYit,"

Mark K. Buckley, CEO & President of [REQUORDIT](#)

The partnership between [REQUORDIT](#) and TSC represents a significant step forward in the ECM market. By combining [REQUORDIT](#)'s expertise with TSC's strengths in ECM, Capture and Content Services, the two companies are poised to drive innovation across several industries and maximize human potential to process automation.

"We are thrilled to announce the acquisition of TSC. Jack

Roberts will be our COO and I could not have imagined a better person for the job. TSC's people and technology provide a strategic advantage for [REQUORDIT](#) to continue accelerating our growth with CloudOCR, OnBase and CloudPAYit," said Mark Buckley, President & CEO, at [REQUORDIT](#).

"We look forward to our new adventure, as this will allow our existing and new clients more options than ever before. I am excited to have the entire TSC team join [REQUORDIT](#), as both companies have a customer first core value," said Jack Roberts, President & CEO, of TSC.

The deal was signed February 16th, 2024. Both [REQUORDIT](#) and TSC are committed to help organizations properly capture, manage, store, retrieve and preserve their valuable information.
