Lisa met James E. Wallace, Jr. in Detroit at a Motown event in 2019. “We didn't get to spend a lot of time together before he passed away, but the impact of knowing and loving him changed the trajectory of my life,” Lisa said about the time she shared with James who is a central character in a new show she is developing for Broadway entitled, “A Place in the Sun,” about her father, legendary songwriter, Ron Miller (“[For Once in My Life](#)”).

“I am so fortunate to have been able to work with such incredible talent to produce this record,” Lisa said. Credits include music arrangement and piano by Chris Hardin; string arrangement by Erik Nickerson; background vocals written and arranged by Mark Matson; vocal recording by Rob Tarango and Sam Robertson and engineering and mastering by Paul. J. Falcone.
