SANTA CLARITA, CALIFORNIA, UNITED STATES, February 24, 2024 /EINPresswire.com/ -- [Your Home Sold Guaranteed Realty \(YHSGR\)](#), a leader in innovative real estate solutions, is proud to announce its Home Selling System was featured at the NEW HOMES Certification Workshop hosted at Williams Homes Headquarters in Santa Clarita. This event marks a significant advancement in addressing the long-standing dilemma faced by new home builders and buyers, commonly known as the "Real Estate Catch-22".

The "Real Estate Catch-22" encapsulates the challenging decision buyers face: whether to buy a new home before selling their existing one. This predicament often leads to hesitation and delays, impacting both buyers and builders negatively. [Rudy Lira Kusuma](#), CEO of Your Home Sold Guaranteed Realty, was invited as a keynote speaker at the workshop to share his expertise and insights into overcoming this challenge.

During his presentation, Kusuma introduced the Guaranteed Sale Program, a cornerstone of YHSGR's Home Selling System, designed to alleviate the anxieties associated with the buying and

selling process. This program guarantees the sale of a buyer's existing home, enabling them to move forward with purchasing a new construction home without the usual stress or uncertainty.

"Our Guaranteed Sale Program is a game-changer for both the real estate and new construction industries," said Rudy Lira Kusuma. "It eliminates the fear of being unable to sell an existing home, thereby accelerating the decision-making process for buyers and enhancing sales velocity for builders."

The NEW HOMES Certification Workshop provided a platform for real estate professionals to learn about cutting-edge strategies and tools to better serve clients in the new homes market. Kusuma's presentation was a highlight of the event, offering practical solutions and hope to agents, buyers, and builders alike.
