

Revolutionizing Women's Health: Excellence Medical & Skin Care Clinic Introduces diVa Laser Treatment & Special Promo

SHERWOOD PARK, ALBERTA, CANADA, February 26, 2024 /EINPresswire.com/ -- Dr. Sharmeen Shaikh, a renowned expert at [Excellence Medical and Skin Care Clinic](#), is excited to announce the introduction of [diVa](#) laser treatment to their range of services. To celebrate this milestone, the clinic is offering a limited-time promotion of \$200 off the diVa laser treatment.

diVa laser treatment is a revolutionary procedure that rejuvenates vaginal health and enhances overall well-being. Suitable for [women](#) of all ages, it is particularly effective for women seeking to improve intimate wellness. The treatment is also highly recommended for women post-childbirth, as it aids in vaginal tightening and addresses mild prolapse concerns.

While not covered by Health Canada, diVa laser treatment may be eligible for coverage through insurance. "We are thrilled to offer this innovative solution to our patients, empowering them to feel more confident and comfortable in their bodies."

Dr. Sharmeen Shaikh

in discussing these concerns with their healthcare providers. Our Vulva Clinic, managed by Dr. Shaikh, a medical expert in this area of health, focuses on addressing skin problems in the intimate area of women. Issues around this region are common and can cause significant discomfort and embarrassment. Women often suffer in silence, ignore the problem until it worsens, or attempt home remedies that may exacerbate the situation. Neglected problems can even transform into cancers over

time. Managing vulvar problems requires specialized diagnostic skills and experience.

Dr. Sharmeen Shaikh is Board Certified in Aesthetic Medicine and is passionate about skin disease treatment, women's health, and cosmetic services. With 14 years of experience, Dr. Shaikh has devoted herself to becoming extremely skilled and evidence-based with aesthetic/cosmetic procedures.
