-- In an exciting start to the year, TKS Design Group stands out once again in the field of home remodeling and interior design, securing the highly sought-after Best of Houzz 2024 awards for both Design and Service. To add to this already significant achievement, the firm's growing list of accolades now includes a feature in an article by Real Simple, where their forward-thinking design solution was recognized.

The Best of Houzz awards are a yearly celebration of excellence in home renovation that recognizes professionals for their commitment to quality design and customer satisfaction. Being featured in Real Simple, a magazine esteemed for its insightful and practical approach to modern living, further highlights TKS Design Group's influence and reputation in the design community.

The acknowledgments from these prestigious platforms solidify TKS Design Group's reputation for delivering outstanding results through an innovative design philosophy and a client-centric approach. They are known for creating spaces that are beautiful, timeless, functional, and tailored to their client's needs.

Susan Klimala, the Co-Owner and a Creative Director of TKS Design Group expressed her enthusiasm, saying: "It's a great honor to be recognized by Houzz once again this year and to be
