

Board Member and Serial Entrepreneur Liza Tullidge Awarded the Certificate in Risk Governance®

GLOBAL, ORGANIZATION, February 26, 2024 /EINPresswire.com/ -- The DCRO

Institute, the world's leading source of risk governance training and credentials for board members and C-suite executives, announced today the award of the prestigious [Certificate in Risk Governance](#)® to Liza Tullidge of London, United Kingdom and Virginia, United States.

“

Liza has a clearly demonstrated skill not only to navigate, but thrive in the key areas of innovation, sustainability, and entrepreneurship. Those talents and perspectives will serve her boards well.”

*David R. Koenig, QRD®,
President and CEO of The
DCRO Institute*

Liza is the chair of the board of directors of NETĀ, an organization focused on elevating women in corporate governance. She serves as a non-executive director at KitUp, Silas Science, and a variety of additional companies in the UK, US, and Europe. She is the founder of Maven + Co, a strategic growth consultancy focused on leveraging sustainability into positive risk opportunities and has a long history of entrepreneurial ventures. She earned her BA in Engineering, History, and Engineering Business from the University of Virginia, and has completed executive education at Harvard Business School, University of Pennsylvania, New York University, the London School of Business and Finance, and Erasmus University

Rotterdam.

“Innovation, sustainability, and entrepreneurship are about being effective risk-takers,” said David R. Koenig, QRD®, President and Chief Executive Officer of the DCRO Institute. “Liza has a clearly demonstrated skill to not only navigate, but thrive in these areas. Those talents and perspectives will serve her boards well.”

The Certificate in Risk Governance® is awarded to those who have completed The Board Members' Course on Risk® - an intensive 17-course education program and evaluation. The curriculum is designed for current and aspiring board members who seek to advance the governance of risk-taking at their organizations and those who interact with boards. Taught by some of the world's leading figures in risk governance, the program features lessons by nearly 50 board members, C-level executives, and well-known authors from five continents. No course on

risk for board members as robust as this - depth, practicality, and global expertise - exists anywhere else.

"If you've ever been curious about effective risk governance or want to take your practice further, this course is a potent tool to expand your skills," said Ms. Tullidge. "It covers a broad spectrum of topics, applications, and industries with useful real-world case studies to ensure you can take your learnings straight into the boardroom," she continued.

The fundamental Duty of Care for directors around risk is to ensure that our organizations take risks well in pursuit of our goals and ambitions. This course furthers the fulfillment of that duty.
