PITTSBURGH, PA, 15613, February 26, 2024 /EINPresswire.com/ -- Country artist Gary Pratt has released a new single, “Before Someone Gets Hurt,” from his album, “Something Worth Remembering.” The song, written by Larry McCoy, Bart Butler, and Westin Davis, tells a story of love, fear, and the difficulty that comes with making the decision to end a relationship.

Pratt, who hails from the small town of Slickville, Pennsylvania, has experienced the ups and downs of relationships firsthand. He shares, “I have been in many relationships. I’ve been hurt and I’ve broken some hearts. We all tend to paint a perfect picture of ourselves when we start into a relationship, but when the true people emerge, it just doesn’t work out. There is always one person out of the two who hurts much more than the other.”
