

Lado International Institute joins ICEF Japan-Korea Roadshow in search of new agents in international education

TOKYO, JAPAN, February 26, 2024 /EINPresswire.com/ -- [Lado International Institute](#), a leader in English as a Second Language (ESL) education in the Washington D.C. area, is pleased to announce its participation in Icef's Japan-Korea Roadshow, a prominent international education fair connecting educational institutions with agents and students from around the world.

With over 45 years of experience, LADO International Institute offers high-quality English programs tailored to the unique needs and goals of each student. Accredited by SEVIS, the United States Immigration and Customs Enforcement agency under the Department of Homeland Security, LADO enables students to obtain their I-20 form, a crucial document for Embassy interviews, facilitating the application for the F-1 Visa to enter the United States as a student. To streamline this process, LADO has an International Admissions Department that guides prospective students through the document processing process in a personalized manner. The department is responsible for:

- Advising students on the requirements and steps of the F-1 Visa.
- Sending the I-20 form to accepted students in their chosen program.
- Guiding students in preparing for the Embassy interview and required documents.
- Addressing any questions or concerns related to the visa process or the ESL program.
