

# 8 Accounting Firms Recognized in Karbon Excellence Awards

*Karbon, a global leader in accounting practice management software, today announced the winners of the 2023 Karbon Excellence Awards.*

SAN FRANCISCO, CALIFORNIA, UNITED STATES, February 27, 2024

/EINPresswire.com/ -- [Karbon](#), a global leader in accounting practice management software, today announced the winners of the 2023 Karbon Excellence Awards.

Karbon practice management for accounting firms

The Karbon Excellence Awards recognize some of the most progressive, inspiring and trailblazing accounting firms from around the world. More than 500 nominations were received from Karbon customers around the globe.

“We were overwhelmed by the volume and quality of nominations this year,” said Karbon Chief Executive Officer Mary Delaney. “Selecting a shortlist and award-winners was no easy task. Reading the applications reinforced to me how fortunate we are to work with some of the best and brightest organizations in the world. These accounting firms are doing unique things, inspiring their peers, and truly making a positive impact on the wider accounting profession.”

Karbon Excellence Award for Sustainability
