About Oak Packer

Oakpacker whiskey owes its unique name to squirrels, who aid in growing the oak trees for our barrels. Paying homage to these creatures, Oakpacker embraces their contribution by giving the name. With the meticulous selection, Oakpacker offers only the finest American single malt whiskies, ensuring exceptional taste, aroma, and complexity.

To preserve purity, Oakpacker exclusively uses air-harvested water, reducing reliance on traditional sources and promoting sustainability for cutting proof after distillation. This innovative process makes Oakpacker the "World's First Air Harvested Water Fused Whiskey"

With a focus on innovation, quality, and sustainability, Oakpacker continues to lead the way in the whiskey industry, as evidenced by its recent accolades.
