"Before starting CoreMark Homes®, I spent years enduring the frustration that comes with finding the perfect property and being outbid by another investor. The Core Program gives property investors a way to acquire properties for a clearly designated price set by our growing community of sellers. It's really a win-win," said Ryan James, Co-Founder and Managing Partner at CoreMark Development LLC. "Your odds of submitting an accepted offer are far greater here than on the MLS."

2022 - 2023, we saw a 120% + increase (Year Over Year) in internet searches for keywords such as "sell my house fast." This trend revealed a growing opportunity in the market to facilitate a bargaining vehicle for deeply discounted, off-market properties being offered by motivated sellers.

Core Program solidifies CoreMark's dedication to creating a transparent environment in which to facilitate the best end-to-end investment property buying/selling experience for both investors and motivated sellers.

Using an extensive marketing effort aimed at identifying property owners who are motivated to

sell off-market, CoreMark Homes® delivers each property with a professional, fully-licensed 3rd party inspection report. The Core Program aims to bring to market undervalued properties, sold as-is and often in need some TLC.
