

# Church Safety Experts to Present at Grace Covenant Church in Austin, Texas

*The Church Safety Guys will be presenting their highly anticipated Church Security Essentials 2024 conference. This event will provide valuable security info.*

AUSTIN, TEXAS, UNITED STATES, February 28, 2024 /EINPresswire.com/ -- Grace Covenant Church is pleased to announce that on April 26th and 27th, the [Church Safety](#) Guys will be presenting their highly anticipated [Church Security](#) Essentials 2024 seminar. This two-day event will provide valuable information and resources for churches looking to enhance their security measures and ensure the safety of their congregation.

With the rise of violence and threats against houses of worship, it has become increasingly important for churches to have proper security protocols in place. The Church Safety Guys, a team of experts in church safety and security, have developed a comprehensive program that covers all aspects of church security, from risk assessment to emergency response. Their focus is emphasizing this while keeping ministry and community the priority.

Attendees of the Church Security Essentials 2024 seminar will learn about the latest security trends and best practices, as well as practical strategies for implementing a security plan tailored to their specific church. The seminar will cover topics such as active shooter response,
