The Japanese service of Morisawa Fonts is not eligible for this discount campaign.

Since our invention of phototypesetter in 1924, Morisawa has strived to connect the past and future of typography culture through utilizing the newest innovations and technologies available. Our mission is to create and design a wide selection of typefaces which provide communication solutions for our clients. We empower our client's voice and help their brands and products to succeed in their endeavors on print as well as the digital frontier.

The subscription service provides unlimited use of over 2,000 fonts, including fonts for languages from around the world.

It features a variety of high-quality fonts popular with creators, such as Shin Go, Ryumin, A1 Mincho, A1 Gothic, Hiragino fonts, Latin fonts for up to 151 languages, as well as fonts that can be used in various languages such as Chinese (traditional and simplified), Korean, and Thai. The number of available fonts is increasing every year (click here for the new 2023 fonts - Japanese site), and the lineup will continue to expand in 2024.

(Hiragino Font is a font of SCREEN Graphic Solutions Co.,Ltd.)

Font lineup as of February 29, 2024 (partial): Japanese fonts - 532 families, 2234 fonts Latin fonts - 71 families, 632 fonts Chinese (Simplified) - 9 families, 24 fonts Chinese (Traditional) - 7 families, 17 fonts Korean - 4 families, 19 fonts Thai - 13 families, 92 fonts (And many more)

You can easily install fonts from the website, or manage fonts with the Desktop Manager app which allows for instant ON/OFF toggling and easy activation of fonts.

Furthermore, the handy font collection feature allows users to share font lists, enabling more efficient collaboration.

Morisawa Fonts will continue to expand this service overseas, providing a unified font environment, connecting designers at our own and overseas bases as well as those living abroad, and promoting creative works that transcend national borders.
