Ridge IT Cyber Secures Top Rankings in Inc. Regionals 2024 Reflecting Excellence in Growth and Industry Leadership

CLEARWATER, FLORIDA, UNITED STATES, February 28, 2024 /EINPresswire.com/ -- Ridge IT Cyber is proud to announce its placement on the Inc. Regionals 2024 List, marking the company's excellence in growth and innovation within the cybersecurity sector. This recognition is a testament to the company's robust growth and innovative practices, highlighting its success in an increasingly competitive landscape.

According to Inc. Media, earning a spot on its list is no small feat and Ridge IT Cyber has exemplified what it means to be a leader in the cybersecurity field. For example, the company has achieved a staggering 615% growth over a span of two years, placing it at the 30th spot among 223 contenders within the Southeast Region. Not only has Ridge IT Cyber dominated as the premier firm in the security industry, but it has also earned the prestigious second place in the Tampa Metro Area. Furthermore, demonstrating its prominence in the state of Florida, Ridge IT Cyber proudly stands as the 14th leading company in the cybersecurity domain.

This announcement follows Ridge IT Cyber's recent recognition in the Inc. 5000 2023 as one of the Fastest-Growing Private Companies in America, where the company earned the 6th position overall among security firms, and the 281st position out of 5000 companies - showcasing its significant contribution to the industry and economy.

"Our unwavering commitment to innovation and technical excellence in cybersecurity has propelled us to the forefront of the industry," says Chad Koslow, CEO and Co-Founder of Ridge IT Cyber. "We are always anticipating the next evolution in cybersecurity threats and solutions, and it's this forward-thinking ethos, coupled with the dedication of our exceptional team, that enables us to serve our clients so effectively. I'm incredibly proud of our growth and the trust our clients place in us to secure their operations."

The Inc. Regionals list is not only a measure of corporate success but an indicator of the

impactful role these companies play in their respective economies. With the addition of over 20,496 jobs and an increase of $8.8 billion to the Southeast region's economy between 2020 and 2022*, Ridge IT Cyber is among those making a substantial economic impact.

"The honorees in our Inc. 5000 network are the Who's Who of private companies," states Eric Hagerman, Special Projects Editor at Inc. Media. "They're energizing regional economies as they engineer the future of their industries. Learn who they are and what they do — they'll be impacting things for a while."

"Looking ahead, we will continue to set the standard for cybersecurity services, always prioritizing the needs and security of our clients," Koslow affirms. "Our approach is unique, not just because we provide cutting-edge solutions, but because we demonstrate the effectiveness of our models with concrete results. Our passion for customer service and relentless pursuit of innovation are the cornerstones of our continued growth and success."
