“We at Pango Financial® are very excited about our Inc. Power Partner Award! As a leading [provider of 401\(k\) business financing](#), we help entrepreneurs who struggle to finance their new ventures. “We are very proud at the

success of our clients and guiding them through a very important time in their lives.”  
Says Frank McShalley, Managing Director

Pango Financials' DreamSpark® plan, a 401(k)-business financing option also known as ROBS ([Rollovers for Business Start-Ups](#)), is the most cost-effective way to unlock their retirement savings to invest in their business tax deferred and penalty free. Instead of paying interest on new small business loans, entrepreneurs use [401\(k\) business financing](#) for staff salaries,

marketing expenses or equipment purchases that enhance their business. Our goal is to make the funding process of their business as simple, helpful, and beneficial as possible at the lowest possible price, often \$1,000 lower compared to our competition, without compromising value.

Our personalized service and supporting technology are key in streamlining the funding process. Funds can be available within 10 -15 days. Pango Financial also provides ongoing plan maintenance services to ensure compliance with changing ERISA, IRS, and Department of Labor laws.
