Waldemar line. They have nothing to do with the Alexander Schaumburg-Lippe German line, as they always get mixed up. Prince Mario-Max works so hard and then the other line, not related just carrying the same last name, jumps the story and pushes them into the press. I will ensure that this ends as there is no head or chief or any superior presiding over Royal Prince Waldemar, and his wife Dr. Princess Antonia and his son Dr. Prince Mario-Max. They are completely sovereign in whatever they do. Every comment is solely a bluff and a way for others to fly into the light. Like fleas that need a host.", Cabell states.

Robert W. Cabell represents a very illustrious dynasty:

Prince Waldemar Prinz zu Schaumburg-Lippe was a German Prince since 1940 and his mother was the Danish Princess Feodora. His wife is politician, lawyer and veterinarian Dr. Princess Antonia Prinzessin zu Schaumburg-Lippe and their together son is H.H. Dr. Prince Mario-Max Prinz zu Schaumburg-Lippe.

"I have the pleasure of knowing Dr. Prince Mario-Max and his family for decades. It is always a pleasure to work with him and support his projects and charitable causes. He is very fond of the victims of bullies and bullying and won an anti bullying award. He has been through so many tabloid campaigns and stories that he understands the hardship of hate speech and defamatory commentary for kids and adults. Dr. Prince Mario-Max is familiar with public campaigns. He has been named adopted, despite his birth parents being Royals and a lovely aunt being an extra parent. Princess Helga-Lee the aunt of his father had three miscarriages and decided to adopt a child. Dr. Princess Antonia, his birth mother is so proud of her son and calls him the only triple Royal, due to her the Royal mother Princess Antonia, the royal father Prince Waldemar and the royal adoptive aunt Princess Helga-Lee, which makes Prince Mario-Max a triple real Prinz zu Schaumburg-Lippe.
