years of experience, medical license, and medical background checks, and a unique and stringent process of analyzing patient reviews from across numerous publicly available sources that would yield a minimum of a 4.2 patient satisfaction rating.

[Dr. Noellemarie Barrera](#) has earned the 2023 Women's Choice Award Best Doctors designation demonstrating a strong commitment to patients. Dr. Barrera strives to enhance her patients' quality of life by providing

individualized care for optimal results.

“I am honored to have been recognized for this award. I work hard to provide great, personalized care to my female patients and have done extra training in order to do so. Seeing my patients do well is the real reward,” said Dr. Barrera.

She is passionate about helping patients achieve whole-person health at every age of adulthood. This passion is what led her to pursue osteopathic medical school, where she learned techniques to help stimulate the body's own healing processes. Her other interests are [hormonal optimization](#) and the prevention and treatment of chronic diseases.

Delia Passi, Founder of Women's Choice Award and leading consumer advocate for women says, “Women carry the burden of finding the best doctors for her and her family. We have helped millions of women find the Best Hospitals, Mammogram Centers, Breast Centers, and Nursing Homes for a dozen years and it's time we help her find the Best Doctors.”

Earning the Women's Choice Award is particularly challenging as it entails meeting specific

criteria points as indicated in a national survey by women across America. As research shows, women are the chief healthcare officers of the household and have the highest expectations of their providers - as they should.
