

Robert Radi, Ph.D., Receives National Recognition through the INDEPENDENT PRESS AWARD®

"Inception Mindset" Recognized in Two Distinct Categories

LA QUINTA, CA, USA, February 29, 2024 /EINPresswire.com/ -- The INDEPENDENT PRESS AWARD (IPA), one of the most prestigious book award programs globally for independent authors, publishers, and illustrators, recognized "Inception Mindset: The Contextual Art and Science of Leading in a Permanently Complex World" by Robert Radi, Ph.D. in the category of LEADERSHIP and the category of BUSINESS: Entrepreneurship and Small Business as a Distinguished Favorite.

Experts judge the competition from different aspects of the book industry, including publishers, writers, editors, book cover designers, and professional copywriters. Selected IPA Award Distinguished Favorites are based on overall excellence in specific categories.

"Inception Mindset" was not conceived as just a book but rather as a transformative journey into the essence of leadership in today's complex world. By introducing innovative and original concepts such as the CADE framework—Contextualizable, Amorphous, Dynamic, and Elastic—the Entrusted Empowerment™ framework, Contextual Leadership Branding as a path to self-authoring, and the Process of Strategic Innovation Framework, "Inception Mindset" creates the foundation for readers to empower themselves in navigating the multifaceted challenges of modern leadership with new cognitive lenses.

These frameworks encourage a shift beyond conventional linear thinking, offering a fresh perspective on strategic decision-making and personal and professional growth. "Being acknowledged as a Distinguished Favorite underscore the significant impact of 'Inception Mindset' on its readers and the broader discourse on leadership and entrepreneurship in complex environments," said Dr. Radi. "The purpose of this book has always been to reach readers, not merely buyers. This book is about reading, thinking, and acting." "Inception Mindset" has also received a Goody Business Book Awards nod, a 5-Star Acclaim from Reader Views declaring it "an elucidating masterpiece," and a Non Fiction Book Award from the Nonfiction Authors Association.

In 2024, the Independent Press Award saw participation from authors and publishers across the globe, including those residing in Australia, Bangladesh, Canada, Cyprus, Germany, India, Kenya,

Japan, Nigeria, Norway, Portugal, Scotland, Singapore, South Africa, Spain, and The Netherlands.

"The 2024 INDEPENDENT PRESS AWARD honorees represent the excellence and diversity of global independent publishing," said Gabrielle Olczak, IPA President and Award Sponsor. "Independent publishing is a formidable agent. It provides unparalleled content and quality to consumers worldwide, and we are proud to highlight this year's awardees."
