ONE400 Presents SimpleClient:
Empowering Efficiency with
Streamlined Solutions

ONE400, a pioneer in legal technology solutions, proudly presents SimpleClient, the cutting-edge software designed to streamline client interactions. SimpleClient is tailored for attorneys who prioritize efficiency and simplicity, offering a suite of features:

- Hassle-Free Online Booking: Clients can easily schedule consultations online, eliminating phone tag and enhancing convenience.
- Direct Payments: Seamless integration with LawPay facilitates straightforward transactions, allowing clients to pay with credit cards or e-checks effortlessly.
- Automated Reminders: Automated reminders that prompt clients about upcoming meetings and offer easy rescheduling options.
- Multi-Member Meeting Management: SimpleClient synchronizes calendars and coordinates meetings with multiple participants, simplifying scheduling complexities.
- Effortless Fee Agreements: SimpleClient makes fee agreement generation and e-signature

processes easy, reducing time spent on tedious document preparation.

- Simplified Billing: Automatic payments, flexible payment plans, and easy access to billing information via a user-friendly portal.

- Enhanced Transparency: Clients have instant access to invoice status and payment schedules, promoting transparency and client satisfaction.

SimpleClient is not just easy to use; it's a solution designed to optimize workflows, increase client satisfaction, and enhance overall efficiency. By eliminating the complexities of traditional CRM systems, SimpleClient allows professionals to focus more on serving clients and less on administrative tasks.
