“The Lodge is the perfect compliment to our Nano and Deluxe Nano cottages,” says Brad McCoil, General Manager at Owl's Nest. “Both offer spacious accommodations close to our golf course, 25 court racquet complex and restaurants. But for those looking for the convenience and affordability of a hotel, the Lafayette Lodge fits the bill.”

“

People come from miles around to experience not only the incredible food at our restaurant but the views they get right outside the windows”

Owl's Nest Resort is located in Thornton, just minutes away from popular ski resorts such as Loon Mountain, Waterville Valley and Cannon. Lodge guests will have plenty of apres ski activities to look forward to after their day on the slopes including a heated outdoor pool & deck and 25 person hot tub at Owl's Nest's Boat House, dining at Panorama Six82 restaurant or a round of platform tennis on one of their heated courts. Non-skiers can take advantage of the resort's nordic trails, groomed for skate and classic skiing, snowshoeing, snowmobiling or ice skating on Lake Harold. Golfers can hone their skills on their brand new simulators which utilize state-of-the art technology to track ball trajectory and provide feedback on their swing. The simulators, located adjacent to Slice Pizzeria & Sports Bar, under construction and coming this spring, are open to the public and available by appointment only. Guests will also find the Lafayette Lodge a convenient place to stay while attending their

Winter Rejuvenation Yoga and Paint & Sip program, happening all winter long.

Still, the resort is best known for its views as the thousands of vacationers, wedding guests and locals who have posed for pictures here will attest.

“People come from miles around to experience not only the incredible food at our restaurant but the views they get right outside the windows here when they dine,” adds McCoil. “Now, we can offer that same vista to overnight guests at the Lafayette Lodge - from sunrise to sunset. Believe me, it’s a view worth waking up to.”

Owl's Nest Resort is open to the public and is currently booking groups, from weddings, corporate groups and anniversary parties to golf and racquet sports tournaments and other special events.
