NEW YORK, NY, UNITED STATES, March 1, 2024 /EINPresswire.com/ -- [NEWHD Media](#) is thrilled to unveil 'Z-GR! Radio',

a groundbreaking weekly radio show dedicated to showcasing the brightest emerging artists across diverse music genres. Premiering on March 1st, the show will air on NEWHD Los Angeles at 7 PM PST and will enjoy a re-broadcast on its sister station, NEWHD New York, the following evening at 9 PM EST.

“

When I heard the pilot episode of Z-GR! Radio, I immediately recognized its potential to transform the synth-pop genre. It underscored the need for a robust platform to support these artists.”

Zach Martin, NEWHD Founder

Scot Apathy, front man of the electronic rock outfit [Zero-G Racetrack](#) and the creative mind behind the 'Floating Around the Racetrack!' playlist, will host the show. Apathy's deep connection with the music scene, coupled with his firsthand experience of the challenges new artists face, positions him uniquely to lead 'Z-GR! Radio'. His initiative in using social media platforms to promote and connect with early-stage artists has already made significant waves.

Reflecting on the journey from playlist curator to radio show host, Apathy shares, "Our first single's release showed us the stark need for artist feedback and

community support. 'Z-GR! Radio' is our next step in building that supportive ecosystem for artists who are just starting out."

Zach Martin, the visionary founder of NEWHD Media, expressed his enthusiasm for the new show, "When I heard the pilot episode of Z-GR!
