

Board Member Catharine M. de Lacy, QRD® Awarded the Certificate in Cyber Risk Governance®

GLOBAL, ORGANIZATION, March 4, 2024 /EINPresswire.com/ -- The DCRO Institute, the world's leading source of risk governance training and credentials for board members and C-suite executives, announced today the award of the prestigious [Certificate in Cyber Risk Governance®](#) to Catharine M. de Lacy, QRD® of Hilton Head Island, South Carolina, in the United States.

Catharine serves on the board of ClearSign Technologies, where she chairs the Nominating & Governance Committee and serves on the Audit and Risk, and Compensation and Human Capital Committees. She serves

as an Independent Fiduciary for NTES, LLC, a private family office. She is on the board of NACD Carolinas. Catharine served as an Independent Director of TORC Oil & Gas Ltd (TSX: TOG), where she chaired the EHS & Sustainability (EHS&S) Committee. Catharine has served as a board member for several nonprofits and international associations and a two-term Trustee at Merrimack College. Her board roles include Board Chair, Development Committee member, and Finance Committee member. She earned her MS in Public Health and Environmental Management from Tufts University and B.S. in Chemistry from Merrimack College. Catharine now joins the most exclusive ranks of our credential holders, having been awarded all three credentials we offer.

Catharine de Lacy, QRD®

"Catharine continues to demonstrate a commitment to ongoing education in service of her boards," said David R. Koenig, QRD®, President and Chief Executive Officer of the DCRO Institute. "I've thoroughly enjoyed my conversations with her and appreciate the role she plays in this critical area of risk governance."

The Certificate in Cyber Risk Governance® is awarded to those who have completed [an extensive education program](#) led by a global suite of board members, leading C-suite technology executives, law enforcement, and intelligence experts, all with deep knowledge of technology

and cyber. Candidate knowledge is validated by evaluation across all subjects covered.

"The Certificate in Cyber Risk Governance program's content is a balance of theoretical and practical. The case studies are presented by peers and through the lens of a director," said Ms. de Lacy. "Completing the course has provided me with enhanced knowledge of the threats in the digital age, but also with practical tools to utilize as a director in my role as a fiduciary."

The fundamental Duty of Care for directors around risk is to ensure that our organizations take risks well in pursuit of our goals and ambitions. This course furthers the fulfillment of that duty. Candidates may enroll in the

Certificate in Cyber Risk Governance® program by visiting <https://courses.dcroi.org>.
