GLOBAL, ORGANIZATION, March 7, 2024 /EINPresswire.com/ -- The DCRO

Institute, the world's leading source of risk governance training and credentials for board members and C-suite executives, announced today the award of the prestigious [Certificate in Risk Governance](#)® to Manohar Singh, CPA, FRM, MBA of Bangalore, Karnataka, India.

Manohar now holds two of our most prestigious credentials. As he strives for continuous learning, he becomes an even more valuable asset to the organizations he serves."

*David R. Koenig, QRD®,
President and CEO of The
DCRO Institute*

Manohar is the director, risk and finance transformation for Ryzklytix, an advisory firm focused on risk management and risk systems integration. He is the former principal consultant, finance and risk transformation for Virtusa Corporation, which provides digitation engineering and technology services. Prior to these roles, Manohar served as the chief financial officer for Azizi Bank in Kabul, Afghanistan, and the head of commercial banking for ICICI Bank in Kolkata, India. He spent nearly 20 years with the State Bank of India, culminating in his role as the head of credit processing. Manohar is a CPA and FRM and holds various other credentials across risk and finance. He

earned his MBA from the Indian Institute of Management, Indore, a Master's degree in Economics from the University of Rajasthan, and a Master's in Financial Analysis, Accounting, and Finance from the ICFAI University, Tripura.

"Manohar now holds two of our most prestigious credentials," said David R. Koenig, QRD®, President and Chief Executive Officer of the DCRO Institute. "As he strives for continuous learning, he becomes an even more valuable asset to the organizations he serves."

The Certificate in Risk Governance® is awarded to those who have completed The Board Members' Course on Risk® - an intensive 17-course education program and evaluation. The curriculum is designed for current and aspiring board members who seek to advance the governance of risk-taking at their organizations and those who interact with boards. Taught by some of the world's leading figures in risk governance, the program features lessons by nearly 50 board members, C-level executives, and well-known authors from five continents. No course on

risk for board members as robust as this - depth, practicality, and global expertise - exists anywhere else.

“The DCRO Institute's Board Members' Course on Risk® has enabled me to develop great practical insights into risk management strategies, corporate governance, and ESG, all designed for C-level executives and board members,” said Mr. Singh.

The fundamental Duty of Care for directors around risk is to ensure that our organizations take risks well in pursuit of our goals and ambitions. This course furthers the fulfillment of that duty.
