WASHINGTON, DC, UNITED STATES, March 1, 2024 /EINPresswire.com/ -- Familyprohealth Inc., a

“

Our solution provides an easy-to-use advanced technological solution for Resident and Non-Resident Indians to stay informed, monitor and address health issues of their parents and other loved ones.”

*Vimal Shukla, Co-founder,
Familyprohealth*

Delaware registered software solution provider in healthcare, and Vesta Elder Care Pvt Ltd, having its registered office at New Delhi, an Indian healthcare services platform focused on Elder care, are pleased to announce a formal business partnership to help the Resident and Non-Resident Indians (NRIs) stay informed and address health issues of their parents.

Mr. Vimal Shukla, Co-founder and Board Member of Familyprohealth Inc. said “Our solution provides an easy-to-use advanced technological solution for Resident and Non-Resident Indians to stay [informed, monitor and address health issues of their parents](#) and other loved

ones. Vital health parameter readings as per recommended schedule can be taken using BP Monitor, Blood Glucose Meter, Thermometer, Pulse Oximeter and Weighing Scale. This information can be shared with family members and caregivers across geographies on a near real time basis.”

Mr. Rahul Misra, CEO of Vesta Elder Care, welcomed this partnership and said “this is a unique solution play for us and by partnering with Familyprohealth, Vesta Elder Care’s commitment to delivering [technology driven 360-degree care](#) is further bolstered. This integration of trusted partners and advanced technology is at the heart of Vesta Elder Care’s mission to provide holistic and exceptional elder care services. This fusion of compassionate caregiving with modern technology enables Vesta Elder Care to deliver comprehensive and efficient elder care services.”

Currently the Familyprohealth solution has been [launched in 20+ countries](#) for NRIs with parents in India but can also be used by people in India who are staying away from their parents. The two companies plan to extend this business partnership to other countries and add more

services soon.
