/EINPresswire.com/ -- Heenan & Cook announces its response to the recent data breach at Cogdell Memorial Hospital, part of the Scurry County Hospital District, which occurred on October 10, 2023. This significant security incident has potentially compromised sensitive Protected Health Information (PHI) of over 85,000 patients, including names, Social Security numbers, and medical details.

“

This breach not only exposes patients to potential identity theft and fraud but also highlights the pressing need for robust digital security measures in protecting sensitive health information”

John Heenan

The firm voiced its concerns regarding the breach and is actively offering its legal expertise to those affected.

"This breach not only exposes patients to potential identity theft and fraud but also highlights the pressing need for robust digital security measures in protecting sensitive health information," states John Heenan, a partner at Heenan & Cook.

Heenan & Cook stands [ready to assist victims of the](#)

[Cogdell Memorial Hospital data breach](#) with comprehensive legal services, from initial consultation to litigation.
