The speakers emphasized the importance of Bitcoin and the role it plays in the financial world, fostering freedom.

Dorsey commended the efforts of the Africa Bitcoin Conference in promoting dialogue and awareness surrounding Bitcoin adoption in Africa. He stated, "Africa is a region with immense potential for Bitcoin to make a real impact on people's lives. The Africa Bitcoin Conference is playing a crucial role in bringing together key stakeholders and fostering discussions that can drive meaningful change, everyone here needs to attend."

Farida Nabourema, the visionary behind the Africa Bitcoin Conference, expressed her gratitude

for Dorsey's endorsement. "Having Jack Dorsey on board is a testament to the global significance of our mission. We believe that Bitcoin can be a catalyst for positive socio-economic change in Africa, and events like the Africa Bitcoin Conference serve as a platform to catalyze this transformation," she said.

The Africa Bitcoin Conference is set to become a pivotal annual event, bringing together thought leaders, industry experts, and enthusiasts to explore the vast opportunities that Bitcoin offer in the African context. The third edition of the ABC will be announced in the coming weeks.
