Eve expressed her emotions about becoming a Best-Selling author, saying, "It's overwhelming to think about. When I heard how many people would have access to the book, it humbled me. Without Jesus, I never would have made a bit of progress; at least, I proved that in my own life."

Eve's story resonates with women who have faced abuse in the past. She acknowledges the unique challenges such individuals encounter, with their entire brain matter molded and stretched in ways never intended. Her mission is to instill hope in survivors, urging them to embrace a future beyond mere survival.

In her mentorship program, Eve has been working closely with women who come from abusive backgrounds for many years. Witnessing remarkable transformations, she decided to extend her reach and offer support to a broader audience through the anthology. Eve's goal is to empower women to find their own answers by implementing tools rooted in scripture and other valuable sources.

Eve emphasizes the importance of both letting go and embracing change as mandatory for personal growth. Her tip for women to become unstoppable is profound yet simple: "Be willing

to let go AND embrace. Both are mandatory for change."

When asked about how her story in 'Unstoppable' will impact other women, Eve commented, "My particular audience will take comfort in knowing they are not alone. Experiencing abuse as a child tends to present challenges unique to us. Our whole brain matter has been molded and stretched in ways God never intended. It's my mission to compel other survivors to grasp HOPE in ways they never have."

Unstoppable goes beyond being a series of books worth reading. They act as a celebration of resilience and empowerment. Within its pages lies the raw power of 25 extraordinary women, including Eve Dufour, whose tales traverse the globe and stand tall in the light of their own greatness.

On Amazon.com, 'Unstoppable! Volume 3' achieved "Best Seller" status within four hours and secured the number 1 position in over 16 categories.
