Sheehy Ford of Ashland, Sheehy Ford Lincoln of Gaithersburg, and Sheehy Lexus of Richmond, recently donated \$50,000 to Children's Hospital of Richmond at VCU in support of the facility's Children's Tower, which opened in 2023.

The donation is aimed at sponsoring an employee breakroom (or staff lounge) within the state-of-the-art Children's Tower, a landmark structure that serves as a beacon of hope and healing for children in need of specialized care.

"We are proud to be a part of the Children's Hospital's expansion in their dedication to supporting more in-patients and providing the very best to the children in their care," Vince Sheehy, President of Sheehy Auto Stores. "We hope this donation helps to further support their youngest patients, their families, and the healthcare heroes seeing them through their challenging journeys."

In addition to the financial donation, Sheehy's Richmond dealerships surprised the hospital with items to stock the Sheehy Auto Stores staff lounge and three additional team member lounge

spaces. They also delivered comfort items such as blankets, activity kits and art supplies for the child life program which focuses on providing comfort, fun, play and age-appropriate support for children through their hospital stays.

"Philanthropy is the backbone that allows our hospital the opportunity to grow and advance clinical programs and the environments in which we care for children and their families. We are truly grateful for devoted corporate partners like Sheehy Auto Stores who believe in our mission, care about the well-being of our team members who deliver compassionate care every day to children and their families, and have a heart-felt desire to support patient family experiences at CHoR," said Lauren Moore, president and CEO, Children's Hospital Foundation.

"We realize the importance of the comprehensive well-being of the hospital's employees and acknowledge the challenges they face daily," added Sheehy. "This is our way of expressing our gratitude for their long hours and unwavering dedication to the youngest of patients."
