

Canary Technologies Launches Platform to Boost Hotel Sustainability & Streamline Check-In

With Tablet Registration, guests complete registration cards via tablet, ensuring a swift, seamless and eco-friendly check-in

SAN FRANCISCO, CA, UNITED STATES, March 5, 2024 /EINPresswire.com/ -- [Canary Technologies](#), the hospitality industry's #1-rated Guest Experience Platform, is pleased to announce the launch of its latest sustainability innovation Tablet Registration at ITB Berlin 2024. Tablet Registration is designed to streamline hotel check-in processes, reduce paper waste and elevate the guest experience to new heights. Up to 240,000 trees could be saved every year if the hotel industry adopted Tablet Registration.

“

Combined with our mobile check-in, personalized messaging, upsells, in-stay services, and more, hotels can now leverage a single solution to enhance every guest touchpoint.”

Aman Shahi, Vice President of Product at Canary Technologies

With Tablet Registration, guests can now complete their registration cards swiftly and seamlessly using tablets, replacing the outdated paper forms of the past. This intuitive digital solution integrates seamlessly with Canary's modern guest experience platform, ensuring a hassle-free check-in process for guests and staff.

“Tablet Registration eliminates the need for wasteful paper registration cards,” said Aman Shahi, Vice President of Product at Canary Technologies. “Combined with our mobile check-in, personalized messaging, upsells, in-stay services, and more, hotels can now leverage a single solution to enhance every guest touchpoint. Canary’s

comprehensive platform allows hoteliers to strike a crucial balance between operational efficiency and personalized guest experience.”

By eliminating manual data entry and retrieval, Tablet Registration empowers hotels to access registration cards effortlessly for chargebacks, guest disputes, and audits. The tool seamlessly integrates with all major property management systems, automating the transfer of guest data quickly and accurately.
