Definition:

Recruitment Process Outsourcing (RPO) is when a company transfers all or portion of its permanent recruitment to an outside provider. An RPO provider can act as an expansion of a company's HR or Resourcing function, sitting on site with the client providing a holistic hiring solution. Recruitment process outsourcing (RPO) has become a vital, adaptable and scalable talent acquisition solution for organizations of all sizes designed to progress employer branding, candidate and hiring manager experience, and to make a centralized talent pipeline, in addition to meet hiring demands. RPO isn't just constrained to hiring individuals but moreover includes the management of individuals, processes, technology, and the talent acquisition procedure. RPO offers extraordinary communication experience to the candidate by giving reliable, transparent, and fair feedback that can help the organization's reputation sterling. It moreover helps in intensifying the manager brand of the organization.
