About Natterjack Irish Whiskey
Founded in 2019 by Aidan Mehigan, Natterjack Irish Whiskey was born from a thirst to create a spirit that would embrace both Irish and American whiskey cultures - a first of its kind whiskey that marries together Irish aging techniques with American influences for a new generation of whiskey drinkers. It starts with a triple-distilled blend of 20% malted barley and 80% corn. The golden liquid is then aged first in ex-bourbon barrels for three and a half years and then finished in a Virgin American oak cask for one year.

Available in two expressions, Natterjack Irish Whiskey (SRP \$39.99; 40% ABV) and Natterjack Cask Strength (SRP \$89.99; 63% ABV), the whiskey can be found at bars, restaurants and fine wine & spirit stores in 14 states including: New York, New Jersey, Florida, Texas, Michigan, Illinois, Oklahoma, Minnesota, California, Ohio, Washington, New Hampshire, Louisiana and Pennsylvania. To purchase online, visit Shop.Natterjack.com or ReserveBar.com. For more information, visit natterjack.com.
