Over the past 20 years, Dentec Safety Specialists has achieved numerous milestones and accomplishments, solidifying its position as a leader in safety solutions. Contracted by the US Government, Dentec Safety received a multimillion-dollar PPE grant as part of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act, a \$2 trillion Coronavirus stimulus bill provided by the US Federal Government), and a multi-million-dollar contract for our revolutionary [Comfort-Air®-Nx](#) reusable elastomeric respirator with replaceable filters for distribution to US healthcare workers. From innovative respiratory protection to state-of-the-art personal protective equipment (PPE), Dentec has continuously pushed the boundaries to ensure

the safety, comfort and well-being of workers in various environments.

“We are thrilled to celebrate this significant milestone of 20 years in business,” said Claudio Dente President & Co-founder at Dentec Safety Specialists. “This achievement is a testament to

the hard work, dedication, and unwavering commitment of our team, as well as the trust and support of our loyal customers and vendor partners.”

As Dentec Safety Specialists looks ahead to the future, the company remains focused on its mission to enhance workplace safety through continued innovation, [exceptional products](#), and unparalleled service.

To commemorate this special occasion, Dentec Safety Specialists will be hosting a series of events and initiatives throughout the year, including special promotions.
