

# Adam S. Kaplan Supports Alzheimer's Association

*Adam S. Kaplan's philanthropic reach has expanded to include the Alzheimer's Association, supporting important research for treatments and a cure.*

NEW YORK CITY, NY, UNITED STATES, March 5, 2024 /EINPresswire.com/ -- Prominent financial consultant, [Adam S. Kaplan](#) has pledged his support to the Alzheimer's Association, aligning his efforts with the AllPie Alzheimer's Challenge (AllPie ALZ) initiated by Brett Ari Fischer. This initiative, born out of a personal tragedy, aims to raise significant funds and increase awareness for Alzheimer's research worldwide.

The AllPie ALZ challenge, which encourages participants to get pied in the face and share the moment on social media with the hashtags #AllPieALZ and #ENDALZ, has seen widespread participation. Adam S. Kaplan's involvement amplifies the message and brings awareness to the urgent need for research funding. Kaplan's decision to join this cause reflects his deep commitment to making a difference in the community, particularly in fighting a disease that affects millions globally.

"Supporting the Alzheimer's Association through the AllPie Alzheimer's Challenge is more than just an act of charity," says Kaplan. "It's a personal commitment to honor those affected by this devastating disease. By joining hands with this remarkable initiative, I hope to inspire others to take action, spread awareness, and contribute to the vital research needed to combat Alzheimer's. Together, we can make a significant impact."

The Alzheimer's Foundation of America (AFA) plays a crucial role in the fight against Alzheimer's, providing support, services, and education nationwide to those affected by Alzheimer's and related dementias. Founded in 2002, the AFA has been a beacon of hope, offering a National Toll-Free Helpline, memory screenings, and extensive caregiver support. With a mission rooted in compassionate care, innovation, and a collaborative spirit, the AFA's commitment to funding research for better treatments and a cure mirrors Adam S. Kaplan's dedication to making a meaningful difference in the lives of those impacted by Alzheimer's.
