

ICON Technologies Expands Its Collection of RV Fender Skirts

The RV part supplier announces an expansion in its fender skirt inventory, offering a wider variety for RV enthusiasts.

WINKLER, MANITOBA, CANADA, March 6, 2024 /EINPresswire.com/ -- [ICON Technologies Limited](https://www.icontechnologies.com/), a leading provider of RV parts and accessories,

is pleased to announce the expansion of its popular collection of [RV fender skirts](#). The company now offers an even wider variety of sizes and styles to fit a wider range of RVs, all made from durable, impact-resistant ABS plastic.

"We are excited to expand our fender skirt offerings to meet the growing demand from RV owners," said Mr. John Loewen, President and CEO of ICON. "Our new skirts are available in a variety of colours and styles to complement any RV, and they are all built to withstand the rigours of the road."

ICON's fender skirts are designed to protect the underside of your RV from the elements, while also improving fuel efficiency and reducing road noise. They are easy to install and come with a limited lifetime warranty.

In addition to the new styles and sizes, ICON's fender skirts also offer the following benefits:

- Made from durable, impact-resistant ABS plastic
- Available in a variety of colors and styles to complement any RV
- Easy to install
- Limited lifetime warranty

"Our focus has always been on innovation and quality," said Loewen and added, "With this expansion, we aim to provide our customers with more choices and flexibility, ensuring they find

exactly what they need for their RVs. It's about enhancing their experience on the road."

Customers can expect the same high standard of design and manufacturing that ICON Technologies is known for. The company's expertise in thermoforming and rotational molding allows for the production of top-tier RV parts that offer both durability and style. Additionally, ICON's dedication to customer satisfaction is reflected in its comprehensive warranty, generous refund and exchange policy, and efficient shipping and delivery services.

The warranty covers all products against defects in materials and workmanship for a period of one year from the date of purchase, providing customers with peace of mind. ICON's hassle-free refund and exchange policy ensures that customers are completely satisfied with their purchases, while the company's shipping and delivery policy guarantees timely and efficient delivery of products.

ICON Technologies services a broad range of customers, including OEM customers and RV enthusiasts across the United States. The company's products are available both online and through a strong international network of RV aftermarket distributors.

Reflecting on ICON's 25-year history, Mr. Loewen remarked, "As we continue to grow and evolve, our focus remains on providing innovative solutions and outstanding service. Our expanded RV fender skirt collection is a testament to this commitment."
