

BSCGuard Announces Revolutionary Presale Launch to Enhance Crypto Market Security

BSCGuard targets presale projects, offering robust protection against scams and the inherent risks of the volatile cryptocurrency market.

BROKEN ARROW, OKLAHOMA, UNITED STATES, March 6, 2024

/EINPresswire.com/ -- BSCGuard, a groundbreaking initiative in the cryptocurrency sector, is thrilled to announce the launch of its presale, starting on March 4, 2024. This pioneering project aims to set a new standard in the crypto world by emphasizing safety and transparency for enthusiasts and investors alike. With its innovative automated audit system, BSCGuard targets presale projects, offering robust protection against scams and the inherent risks of the volatile cryptocurrency market.

Unveiling a New Era of Crypto Security

BSCGuard introduces a meticulously designed token with a total supply of 100,000,000 Bscguard (bscguard), underpinned by a comprehensive tokenomics structure that includes thoughtful transaction fees for buys and sells as well as anti-whale measures to ensure market stability and fairness.

Key Features of BSCGuard Tokenomics:

Buy Transaction Fees: 7% buy, 3% Rewards reflection, 3% Marketing/Development, and 1% Liquidity Pool.

Sell Transaction Fees: 9% sell, 3.5% Marketing/Development, and 2.5% Liquidity Pool.

Anti-Whale Measures: Max sale limit of 0.25% of total supply within 24 hours and wallet-to-wallet transactions limited to once every 48 hours.

Mission and Vision

Dedicated to redefining safety in the crypto space, BSCGuard's commitment to security and transparency is at the core of its mission. The project's automated audits for presale projects are specifically designed to foster a secure investment environment, empowering crypto enthusiasts to navigate the market with confidence.
