Too Fast is the breakthrough collaboration of three seasoned artists– electronic music producer and social media influencer Cyran, singers K-lien, and Dave L – introducing a tantalizing new sound to the music world. At its core a bracing blend of EDM and Hip-Hop, their music is infused with bold topical themes to move even the most jaded, weaving a powerful spell that touches the heart and head. As Too Fast and their music accelerates to new speeds, they were recently signed to record label Lockout Music

The group's name is a reflection on all things that go "too fast"– from life itself to the frenetic pace of change in the world / technology– and the challenge of dealing with it all. This theme is at its most poignant in their first official music video, "Just Like You," based on Cyran's earlier EDM dance hit and now transformed into a heart-wrenching mesmerizing tale of love lost in a flash, filmed by producer and MTV/VMA 2015 winner Satien Mehta.
