Juniper (Juniperpet.co) a website and shopping platform for Gen Z and Millennial dog parents, is excited to announce the launch of a comprehensive guide titled "101 Easy Dog Enrichment Ideas." Available for free download on Juniper's website (<https://www.juniperpet.co/guides/101-easy-dog-enrichment-ideas>), this guide is aimed at providing dog owners with 101 engaging activities to enhance the mental

and physical well-being of their dogs.

In a world where busy schedules and urban living can sometimes limit the opportunities for pets to explore and engage with their surroundings, Juniper recognizes the importance of enrichment activities in maintaining a happy and healthy lifestyle for dogs. With this in mind, "101 Easy Dog Enrichment Ideas" has been curated by experts in canine behavior and welfare to offer a wide range of stimulating activities suitable for dogs of all ages, breeds, and energy levels.

"Enrichment is vital for a dog's overall well-being," says Haley Young, writer at Juniper, "It's not just about physical exercise; mental stimulation is equally important for a dog's cognitive health. Our guide offers creative and practical ideas to keep dogs mentally engaged, prevent boredom, and strengthen the bond between pets and their owners."

From DIY puzzle toys to sensory experiences and outdoor adventures, the guide covers a diverse array of enrichment ideas that are both accessible and affordable for dog owners. Whether it's a simple game of hide-and-seek or a homemade agility course, there's something for every dog to enjoy. The guide also provides discounts from companies that make enrichment toys including Fable, SodaPup, Lambwolf Collective and Bundle X Joy.

"All dogs deserve a fulfilling life," says Allison Esposito Medina, Founder of Juniper. "By providing dog owners with this free resource, we hope to inspire them to enrich their pets' lives in meaningful ways. Ultimately, our goal is to foster happier, healthier relationships between dogs and their humans."
