Fantasy sports, often known as rotisserie sports or roto, are any of a variety of games that allow

a player to play a virtual game or a virtual season of a league. These teams compete based on the statistical performance of those players in actual games. In fantasy sports, a player earns points based on real-life statistics that are converted into fantasy points. The fans take on the roles of both general manager and field manager for their team, assembling a squad through a draft and deals and putting together lineups in desire of the highest statistical output.
