

HireQuotient Launches Empower Her Initiative

Under the Initiative, HireQuotient Unveils Panel Talk Series Celebrating Women's History Month

SAN FRANCISCO, CALIFORNIA, UNITED STATES, March 7, 2024
/EINPresswire.com/ -- SAN FRANCISCO, March 7, 2024 -

HireQuotient, a leading US focused technology platform for talent acquisition and management, is proud to announce the launch of the Empower Her Leadership Panel Talk Series in honor of Women's History Month. This series aims to celebrate the achievements of women in leadership roles and provide a platform for insightful discussions on team building, team management, building AI products, and organizational culture.

EmpowerHer Initiative

The Empower Her Leadership Panel Talk Series brings together accomplished women CEOs, VPs, Directors across product, technology, people & talent space from various industries to share their expertise and insights across three distinct tracks.

CEO Track:

The CEO track features esteemed speakers Mary Shea, Former Co-CEO of Mediafly, and Kate Brennan, President of Brennan Group. These leaders will share their valuable perspectives on leadership, strategy, and navigating the complexities of modern business environments.

People & Talent Leader Panel:

The People & Talent Leader panel showcases seasoned professionals with over three decades of combined experience in talent management. Panelists include Ms. Olga, Vice President of

YCharts Inc., Ms. Zina Brown, Co-Founder of Pop-Up Talent, and Ms. Lauren Darby, Director of People Ops at The Launch Box. They will discuss best practices in talent acquisition, development, and retention.

Women in Tech Panel:

The Women in Tech panel features product leaders who have spearheaded AI deployment projects in renowned organizations such as HP, Autodesk, and Juniper Networks. Speakers include Ms. Aliza Carpio, Director at Autodesk, Ms. Sheetal, VP of AI Deployments at HP, and Ms. Surbhi Kaul, VP of Global Customer Experience at Juniper Networks. They will delve into the challenges and opportunities for women in technology roles.

Registrations are now open for the upcoming panel discussions:
