

Gaming star Jordi Van den Bussche quizzed on stage by his identical avatar, who shows insight, emotional intelligence – and a glimpse of the future

March 7, 2024 /EINPresswire.com/ --
 Gaming star Jordi Van den Bussche, a professional esports player and content creator, was quizzed on stage by his identical avatar during a virtual event. The avatar, created using advanced AI technology, demonstrated remarkable insight, emotional intelligence, and a glimpse of the future. The event was part of a series of virtual conferences organized by the National Info Centre at SDAIA, aimed at promoting digital innovation and gaming culture in the Middle East.

 by his identical avatar, who shows insight, emotional
 intelligence – and a glimpse of the future

His Excellency Dr Esam Alwagait, Director of the
 National Info Centre at SDAIA, was also present at the event. He emphasized the importance of digital innovation and the role of gaming in the future of the region. The event was a significant milestone in the development of the virtual gaming industry in the Middle East, showcasing the potential of AI and virtual reality in entertainment and education.
