"Busy Boys put a new roof on our home about 17 years ago, and they did such a fantastic, quality job that it has lasted to this day. However, this past month we made the mistake of hiring a terrible roof cleaning company for the maintenance of the roof, and they caused a leak in the skylight that came into the ceiling. I almost called our insurance, but then I thought to maybe find Busy Boys first and see if they could help in any way, so I called Busy Boys, not knowing what to expect or if they'd be able to help after all these years, and wow, was I ever blown away by their incredible and honest customer service? A wonderful man named Mike came out to take a look the same day of my call and told me the inspection would be free of charge. He found the problem and fixed it the same day for the most minimal charge. He didn't try to sell us a new roof and was honest enough to tell us we had lots of time left on it. I can't thank Mike and the Busy Boys enough. We will absolutely be using them again when the time comes to change our roof, and until then, we will be recommending them to everyone! This is what a great company is all about!" said one of the clients of Busy Boys Roofing Ltd.

Residential and Commercial, Cedar, Multi-Family, Skylights, Repair, Gutter Cleaning, Asphalt, Ventilation, Re-Roofing, Gutters & Skylight Installation are some of the important services offered by Busy Boys Roofing Ltd., and they serve in various other locations of the country.
