

# Award-Winning Band Ludlow Creek Releases Timely New Single: “Mercy”

*In advance of their forthcoming 3rd album, the southwestern Ohio-based band eagerly releases another new single.*

DAYTON, OH, UNITED STATES, March 8, 2024 /EINPresswire.com/ --

Americana/Roots Rock band, Ludlow Creek, unveils their latest single, “Mercy”. The single is set to release Friday March 8th, 2024, and is another example of the band’s powerful and inspirational songwriting.

“Mercy” speaks to people chasing after a relationship that’s bad or watching someone else headed for trouble. Allen Seals and Dave Benson teamed up on lyrics that resonate with the experience of getting caught and blinded by unrequited love and unresolved emotions. “Mercy” is a story about chemistry igniting a pursuit, rejection, and going back for more. “Good sense goes to hell when something holy is for sale...”

Though “Nobody ever sees it comin’...” Ludlow Creek rousingly moves the listener through the twists and turns of the journey to relationship hell and back. “Lord have mercy - I’ve seen what Mercy can do”.

Ludlow Creek

Ludlow Creek is no stranger to success. Their earlier single, “Stoney Lonesome Road,” reached

#51 on the UK iTunes Rock Songs chart, and their Christmas single, "This Baby Boy," reached #1 on the UK iTunes charts. With over 500K Spotify streams, the band has already won awards at the 2022 and 2023 International Singer Songwriter Association Awards.

"Mercy" is the third single off of Ludlow Creek's upcoming new album set to be released at the end of March, 2024, and is a foreshadowing of what Ludlow Creek has in store for fans – "Mercy" is now available for listeners on all major streaming platforms.
