In addition to its exceptional product offerings, ILLA Canna Weed Dispensary is proud to support local artists and culture. The Jefferson Park location features an incredible mural created by renowned artist Mister Cartoon. Born and raised in Los Angeles, Mister Cartoon's artwork reflects the rich cultural heritage of the city, bridging the gap between street art and mainstream popularity.

Meet the artist who created the mural on the side of our Jefferson Park

Location, Mister Cartoon. Born and raised in Los Angeles, Mister Cartoon was immersed in art from an early age. He began his career as a graffiti artist before branching into murals, album covers, and logos, and is now most famously known for his tattoos. His richly detailed, hand-

rendered designs pull much of their inspiration from the Los Angeles of Cartoon's youth. At one time, the black and grey, fine-line style was synonymous with LA street life. Cartoon's work has helped bridge the gap between those hardscrabble beginnings and the style's current popularity. Stars such as Eminem, Travis Barker, Slash, Dr. Dre, 50 Cent, and Beyoncé, along with athletes like CC Sabathia, Amarie Stoudemire, and Carlos Boozer wear Cartoon's art on their skin.

ILLA Canna Weed Dispensary operates seven days a week, offering convenient hours to cater to customers' needs.
