

The Profs Tuition Celebrate Double Nomination at Prestigious Education Investor Awards

London, UK – The Profs Tuition proudly announces its nominations for the 2024 EducationInvestor Awards in two significant categories: Private Tutoring Provider of the Year and EdTech Provider of the Year. Renowned for its online tutors, university admissions tutors, A-Level tutors, and GCSE tutors, The Profs Tutors is setting the bar high in the educational sector by offering bespoke tutoring solutions that cater to the unique needs of students in the UK, and worldwide.

EducationInvestor Awards Nominations 2024: The Profs Tuition Recognised in Two Competitive Categories

In the keenly contested EducationInvestor categories of 'Private Tutoring Provider of the Year' and 'EdTech Provider of the Year', The Profs Tuition is nominated among an impressive array of finalists.

The nomination for 'Private Tutoring Provider of the Year' sees The Profs Tuition alongside respected entities such as Enjoy Education, Eximus Education, Explore Learning, Ivy Education, Mentor Education, and Minerva Tutors. This category highlights outstanding tutoring services that significantly impact students' educational paths.

In the 'EdTech Provider of the Year' category, The Profs Tuition is nominated with notable pioneers in educational technology, including Avantix Education, Berlin School of Business and Innovation, Edubook, HubGem Marketing, Impero Software, National Education Group, Oxford ELLT, Pebble, School Business Services, Thrive, Thuso, and xUnlocked. Sponsored by London School of Business & Finance, this category highlights the essential role of technological progress in transforming education.

The Profs Tuition's nominations not only reflect its unwavering dedication to educational quality and innovation but also position it among highly respected institutions and innovative companies aiming to shape the future of education. Being recognised in the company of other dynamic and progressive organisations emphasises The Profs Tuition's leadership in both private tutoring and educational technology, affirming its efforts to improve and personalise learning experiences for students in the UK, and globally.

The Profs Tutors' Remarkable Achievements

Since launching in 2014, The Profs Tuition has been at the forefront of redefining educational success, growing from a single tutor operation to support over 10,000 students across 120 countries. Amidst this growth, The Profs Tuition has been recognised as the UK's leading tutoring service by students, tutors, and industry bodies. The brand has consistently been ranked as the UK's highest-rated tutoring service on Trustpilot, since 2016, with reviews from both clients and

tutors. On Glassdoor, tutors rate The Profs 5 out of 5 to work with, and 100% would recommend the brand to other tutors. The company has received many industry accolades for its exemplary service, including The Tutors' Association's 'Tuition Business of The Year' and 'Best Tuition Delivery to Private Clients' awards in 2023.

Reflecting on the significance of their EducationInvestor Award nominations, Richard Evans, the Founder, expressed, "These nominations serve as a testament to our unwavering dedication to educational innovation and the exceptional quality of our tutoring services." Dr. Leo Evans, Co-Founder, added, "It's a validation of our efforts to empower students with personalised, technology-driven learning experiences, geared towards not just meeting but exceeding their academic goals."

Amid these achievements, The Profs Tutors' effectiveness is vividly illustrated by their remarkable success rates: an astounding 98% of students achieve their predicted school grades, while an impressive 55% of those applying to Oxbridge are accepted—triple the UK national average. The Profs Tutors boasts a 90% success rate in helping students secure offers from their top-choice universities. These achievements not only highlight the efficacy of The Profs Tuition's approach but also their tangible impact on students' academic journeys and future opportunities. Through pairing students with expert tutors who provide bespoke, outcome-focused tuition, The Profs Tuition has established a proven track record of enabling students to surpass their academic targets and secure their future success.

About The Profs Tuition

Pioneering Educational Excellence with Personalised Tutoring

At the heart of modern educational innovation, The Profs Tuition, in partnership with sister brand Spires Online Tutoring Marketplace, stands as a beacon of transformative learning. With a comprehensive suite of tutoring services that span university admissions and degree support, A-Levels, GCSEs, IB and more, The Profs set the standard for academic support tailored to the individual needs of each student. Driven by a commitment to quality, customisation, and tangible outcomes, The Profs empowers students to not only reach but often surpass their academic aspirations.

Award-Winning Innovation in Online Tutoring

The Profs Tuition has carved out a niche as an award-winning online tutoring entity, distinguished by its life-altering approach to educational success. Employing state-of-the-art technology alongside bespoke teaching methodologies, The Profs has guided over 10,000 students worldwide towards achieving their academic objectives. Esteemed for delivering tutoring of the highest calibre and providing unparalleled customer support, The Profs maintains a leadership position in the education sector. Through setting benchmarks for learning and teaching excellence, The Profs not only meets the immediate academic needs of students but also prepares them for long-term success.

Adapting to the Educational Needs of Tomorrow

In an era where the demand for personalised, quality education is ever-increasing, The Profs Tuition remains at the forefront of pedagogical innovation. This commitment involves a continuous process of enhancing its tutoring services to address the dynamic needs of students. By seamlessly blending advanced technology with the deep expertise of its tutors, The Profs does more than prepare students for examinations. It endows them with the skills and self-

assurance to navigate the complexities of a rapidly evolving world.
