future, their focus remains on increasing the value of acquired entities through enhanced operational practices and systematization. Operational partners, David Beemer and Mark Fleming (shareholder) drive improvements of Brighter's portfolio companies using their knowledge, base built on decades of industry experience.

President and CEO Roko Skender, shared his thoughts on the acquisition, stating, "We are excited to welcome Starbrite Electric into the Brighter Electrical family. This move aligns with our mission to acquire and elevate companies, bringing added value through professionalized operations and systemization. I am confident that our team can add a tremendous amount of value to Starbrite and contribute to the good work and legacy that their late Founder, Clay Schavrda built. I am also excited about the continued success of Brighter Electrical and our expanding portfolio."
