Despite outward success, many of us are still filled with restlessness and a yearning for something more in our lives. Transformational coach Jeanine Thompson shows us this longing isn't a drive toward more achievement, but rather a desire to return home to ourselves.

We are coded to evolve and the greatest invitations in our life often arise masquerading as the details of challenge or crisis. Yet the most powerful source of untapped potential is one many of us have lost sight of.

Awarded the 2024 Distinguished Favorite in Inspiration

Leveraging her own powerful story and those of her clients, Thompson introduces us to seven key spiritual principles—The Soul Solution—that empower us to answer the call from our Soul and unleash our highest potentiality in all areas of life. Moreover, she shows us how to harness “the beauty of the and” to fully enliven what life is offering to and through us, even in our most challenging moments.

“If life is sending you challenges, there is no better way to meet them than to tap your own vast inner wisdom. In ‘911 From Your Soul’, Jeanine Thompson lays out a powerful and pragmatic pathway to create harmony between your inner world and your outer experience. Highly recommended!”

A note from the author

My shift came when I traveled beyond traditional perspectives. As a former Fortune 50 HR executive, I know the vast agility required to succeed in business. Despite excelling, I was always left feeling 'that something was missing'. Going into the realm of awareness, I explored broadly within the non-traditional; energy, diverse wisdom traditions, texts, spirituality, yoga, as well as neuroscience, psychology, physiology, and biology. Go deep enough and each practice takes you to the very same place: the irresistible doorway to your Soul. And it's here that real change starts taking place.
