At the last edition of the program in October 2023, Pastor Chris Oyakhilome stated, "Some people think sickness is a natural cause, but it is not! If you study well about any and every sickness, disease, or infirmity, you will find out it takes its root from unnatural sources. There is nothing natural about sickness; let no man deceive you". He further assured participants connected to the service globally that, "God is not intimidated by your questions or doubts; He has answers for you in his Word! The scripture records in John 17:23 (KJV) that God loves you as much as He loves Jesus. If that is true, you will never be sick again. Make up your mind never to be sick, poor, or broke in your life ever again."

The preparations for this edition are at full throttle, and the world is already buzzing with excitement and expectations as countless individuals, ministers, and partners from all corners of the globe unite to spread the word and ready the world and all that's in it for the glorious deluge of healing and blessings that would inevitably occur at the program!
