Bowie first started playing music in August of 2019, when he found himself as the defacto drummer for he and his brother Bradley's band, First Day of School, which began on... their first day of school, as homeschoolers, down on the beaches of Santa Monica.

He was featured on the Kelly Clarkson show to highlight First Day of School's charitable donations to orgs such as The Ronald McDonald House, Heal The Bay, Toys For Tots, and St. Jude. Before entering music, he had co-starred with Julia Roberts on Homecoming, The Secret Life of Kids and ABC's The Goldbergs and is the lead voice on the upcoming "Remy Bear & Friends".

"So remarkable to hear this incredibly talented young artist at 11 y.o. play like he's been playing for decades..... and then on top of it, composing music and playing like that? I call that unstoppable." -Michael Orland, American Idol Associate Musical Director
