The three-day virtual summit is a must-attend event featuring famed paralympic athlete Tatyana McFaddin, winner of eight gold medals.

LOS ANGELES, CA, UNITED STATES, March 25, 2024 /EINPresswire.com/ -- James "Jim" Lange, best-selling author, CPA, and attorney, is set to present a three-day virtual summit titled "Financial and Life Planning Summit...for Parents of a Child with a Disability." The transformative event will take place June 18 through 20, 2024. Renowned Paralympic champion Tatyana McFadden will inaugurate the virtual summit, marking the beginning of an empowering event. The summit will feature insights from the authors of "Retire Secure for Parents of a Child with a Disability," a comprehensive financial resource for parents seeking advice for their child with a disability.

Speakers at the summit will cover valuable topics that educate parents on various issues and solutions for their unique situations. Parents can sign up for single or multiple sessions. For example, a parent who is interested in Deborah McFadden's presentation on qualifying children for SSI/SSDI benefits may also be interested in attending sessions on their child's specific disability, such as autism or mental health issues.

Meet the Speakers:
