

# VIKING PEST CONTROL NAMED ONE OF THE 10 BEST PEST CONTROL COMPANIES IN THE COUNTRY BY FORBES HOME AND THE SPRUCE

*Viking Pest Control recognized for stellar service, sustainability, and custom-tailored solutions for homes and businesses.*

BASKING RIDGE, NJ, USA, March 12, 2024 /EINPresswire.com/ -- Viking Pest Control is honored to be named one of the [Top 10 Pest Control Companies](#) in the United States by both Forbes Advisor and The Spruce for the fourth consecutive year.

Forbes Home released their list of Top 10 Pest Control Companies in the United States, and Viking Pest Control made the list. "As we move towards 2024, we are delighted to rank in the top 10 pest control companies in the US," says Viking President, Paul Bergmann.

Viking Technicians greeting a homeowner during a service call.

The Spruce recognized Viking for their outstanding sustainability practices utilizing eco-friendly products that reduce the impact on the environment. 2024 is the third consecutive year Viking has been named [Best Pest Control Company for Sustainability](#) by The Spruce.

“

As we move towards 2024, we are delighted to rank in the top 10 pest control companies in the US”

*Paul Bergmann, President of Viking Pest*

## Why Choose Viking Pest Control

### QualityPro Certification

Viking Pest control is a certified member of QualityPro, ensuring exceptional pest control. Requirements include

- Criminal background checks

- Drug-free workplace policy
- Technicians and employees pass the QualityPro exam
- Practices proper pesticide handling

### Full-Service Pest Control Company

Not only does Viking offer pest control services for the typical pests such as ants, mice, bed bugs, cockroaches, stink bugs, and termites, they also offer many other services other companies do not offer, such as disinfecting services, spotted lanternfly, SMART Pest Control, and wildlife control.

### [SMART Pest Control System](#)

The SMART pest control system is available for both residential and commercial properties.

These systems monitor pest activity 24/7 to prevent infestations. SMART offers 24-hour monitoring, peace of mind, and pest infestation prevention, so your home or business stays healthy and pest-free.

### Familiarity With Service Areas

The technicians at Viking Pest are local to their service area and live and work within their communities.

Viking Pest is also part of the community, creating and participating in 40+ community outreach events.

With over 2,000 Google, BBB and Facebook reviews, Viking prides itself in effective pest management and exceptional customer service.

### Contact Viking Pest Control Today

Viking Pest offers exceptional service by trained technicians dedicated to solving your pest control problems.

If you are looking for pest control services or have any questions, contact us today.
